jobactive—helping you find staff

jobactive is the Australian Government’s way to get more Australians into work. It connects job seekers with employers and is delivered by a network of jobactive providers in over 1700 locations across Australia.

As an employer, you can use a local jobactive provider for tailored recruitment services, at no cost to you. Or you can choose to manage your own vacancies through the jobactive website or app.

What can I expect from jobactive?

jobactive providers deliver professional, end-to-end recruitment services at no cost to you. For a choice of jobactive providers across Australia, visit www.jobactive.gov.au.

Your jobactive provider will talk with you, in person or over the phone, about your specific business needs. They will outline the services they provide, including:

- screened and job ready candidates
- pre-employment training and work-related equipment, if needed, for the jobs in your business
- support while new employees settle in
- access to wage subsidies when you recruit and retain an eligible job seeker.

What about self-service options?

You can also choose to advertise and manage your own vacancies through the jobactive website at www.jobactive.gov.au or the free jobactive Employer app (available from iTunes and Google Play).

jobactive help for horticultural growers

If you are a horticultural grower, you can get help finding harvest workers from jobactive Harvest Labour Services. You can find your local Harvest Labour Service via www.jobsearch.gov.au/harvesttrail. They screen workers and match them with growers.

You can also advertise your job vacancies on the Harvest Trail at www.harvesttrail.gov.au or through the jobactive Employer App.

Want more information?

- Go to www.jobactive.gov.au
- Call the Employer Hotline on 13 17 15*.

Do you need help with this fact sheet?

If you need an interpreter, please call the Translating and Interpreting Service (TIS) on 131 450* and ask for the Employer Hotline on 13 17 15*.

If you are deaf, or have a hearing or speech impairment, you can use the National Relay Service. For more information, visit www.relayservice.gov.au.

* Note that call charges apply for calls to ‘13’ numbers from mobile phones.
